MYSORE COMMISSION.

Brief Memo:- 7.

† No 3510 / 62. [illegible]

In this office letter to India of 5th August 1875 recommending the abolition of the Police superannuation Fund, it was pointed out that by the reunion of the Police of the Province then recently completed, the scale of pay in all the Districts was uniform, but that the men of the Bangalore District alone were subject to a deduction of pay on account of the Fund, and early instructions were solicited to authorise the discontinuance of these subscriptions, pending the issue of any rules which may be framed for the disposal of the accumulated Fund.

† No 2.7 Dy 5th January 1876 [illegible]

2 In reply the Govt of India † sanctioned the proposal that the Police Superannuation

fund of the Bangalore Dto be abolished, and that the assets be credited to the Mysore Govt, which will thenceforward take upon itself the payment of all pensions and gratuities. Some further information was moreover asked for, and after certain correspondence a set of rules for regulating the grant of pensions & gratuities to the ~~force~~ members of the Mysore Police (excluding those of the Town & Cantt of Bangalore) was finally prepared in communication with the Insp. Genl. of Police & the D. a. General, and submitted to India†, together with a draft Notification for the abolition of the fund.

† vide No. 1055-3/15-91 dy 19 Jany 91,

3. In reply, India issued Orde No. 257-7. dy 1 June 91 3 Notifications on the subject.

The first repeals in Section 11 of Act V of 1861 throughout the Bangalore Dto from the 15 May 1877, & directs that all monies

Notification

Simla, the 11th May 1877

"With reference to Notification No. 547 of this day, the Governor General in Council "is pleased to direct that "the stoppages from the pay "of the Bangalore Police "Force which hitherto have "been credited to the Police "Superannuation Fund "abolished by that Notifica"tion shall, from the 15th "day of May 1877, and until "further orders, be credited "to the general revenues "of the Mysore Government

standing to the credit of the Bangalore Police superannuation Fund on the said day be transferred & paid to the Govt. of Mysore.

The second † Notification directs that the stoppages from the pay of the men who had hitherto been credited to the Police superannuation Fund, abolished by the ~~above~~ first, be, from the 15th May 1877 and until further orders, credited to the General revenues of Mysore.

The third simply prescribes the rules for the payment of pensions and gratuities.

4. As general sanction was conveyed to the abolition of the Fund early in January 1876, the Inspector General's recommendation to discontinue receiving subscriptions after 31st December 1875 was sanctioned by the Chief Comr., and he was authorised to refund all collections made after the said date.

5 In none of the letters

Prop. No. 95-34 & 10/3/76

(Para 2)

from Government is it distinctly stated that the stoppages should cease, although we specially asked permission to discontinue them; on the contrary the Notification No. 548 directs that these stoppages should from the 15th May 1877, (the date the Fund was abolished), and until further orders be credited to the General revenues of the province

The Dy. Accl General from No. 2933 dy 21-8.77
forwarding copy of correspondence with the Inspector General of Police, points out that, while the language in Foreign Dept Notification No. 548 implies that the stoppages are to be continued, the Chief Comrs Order of 10 March 1876 directs the discontinuance of subscriptions He therefore solicits further orders on the subject.

The conclusions to be drawn from the above are:- that the Police Superannuation Fund was formed under the authority conveyed in Section

Section 11 of Act VI of 1867 that this section was repealed from the 15th day of May 1877 by notification No 547 dated 11th Idem, with instructions to transfer the general revenues of the Province all sums standing to the credit of the said fund on that day. That notification also of the 11th May merely directed that the said sums of money "shall from the 15th day" "and until further orders be credited to the general revenues", but, of course not seem to be an authority to continue the stoppages which would be equivalent to renewing the abolished fund. -

Mr Hudson to perhaps be informed.

26.2.78

Sir
The authority to make the stoppages was provided in Sec 11 of the Act, and that Sec having been repealed, there seems no power now to make such stoppages: and if such stoppages be made it would appear as if we are reviving the Secession fund. -

16.3.78

I concur. Mr Hudson is accordingly written to but whether a reference to Govt is necessary

22.2.78

Govt's attn is drawn to error in para 5 of Mr Hudson's letter No 548 and para 2 of his letter No 549 dated 16th Feb 78 in which he has alleged that the accounts of the stoppages have been referred to Govt

16.3.78

Mr Hudson was accordingly written to but considers that a reference to India is necessary to give validity to the cessation of stoppages authorized by the Ch. Comrs Order No 95 dated 10th March 76 para 2.

The Secretary to the Chief Commissioner
General Department.

Sir,

With reference to the Judicial Commissioner's letter No. 1250/125 of the 16th instant and its enclosures, on the subject of the Bangalore Police Superannuation Fund which have been referred to me for an expression of opinion with your endorsement of the 22nd, I have the honor to submit the following remarks for the Chief Commissioner's consideration.

2. The rules (copy enclosed) which were proposed for the formation and management of the Fund, have not been sanctioned by the Government of India, but deductions of subscriptions have been levied from the pay of the Cantonment and Town Police Establishments since June 1868, and from that of the Taluk Police Establishments from the time that each was reorganized. The deductions have been credited to a separate head styled "Police Superannuation Fund" in the accounts of

× Vide Chief Commissioner's letter No. 250 of 5th March 1869 (account deptt.) to Govt of India Home Department.

of this Office, but no pensions or gratuities have been granted under the rules, as they required at least 10 years service as a Subscriber to entitle an employé to the minimum grant. Applications for retirement have been disposed of by the grant of gratuities by Government, at the rate of 1 months pay for each years service under the General rule for Mysore Employés of "inferior service", the subscription to the Fund in each case being charged thereto, in part of the gratuity. + Vide Civil Pension Code Sec: 63 Rule 2

3 It will be observed that pending the introduction of a new Police scheme, the Judicial Commissioner (See his letter No. 1250/125 of 16th August 1872, para: 2nd) does not consider it advisable to interfere with the existing scale of pay allotted to the Bangalore Police Force, and the deductions which are made therefrom on account of the Superannuation Fund. I concur in this opinion. But the question of maintaining or abolishing the Fund, or placing it on an altered footing, will I presume press for a decision so soon as the introduction of the new scheme is authorized

4 There is little doubt that the gratuities allowed by the general rule already quoted would be preferred by the men

men, to the pensions which the Fund rules provide; but it may be a question for consideration whether they should contribute towards a fund when the employés of other departments are exempt. On this point I would offer no positive opinion, but bearing in mind that the duties of Policemen may unfit them for service in the Police, at an earlier age than employés in other Departments and thus, by the more numerous retirements, entail an exceptionally heavy charge on the revenues, a contribution on their part might equitably be demanded by Government.

Sir,

I am directed to submit for the consideration and orders of H.E. the Viceroy and Governor General in Council, the following particulars in connection with a proposal made by the Inspector General of Police for the abolition of the Police Superannuation Fund which has been hitherto maintained in part by the Bangalore Dist. Police Force in this Province.

2. The Superannuation Fund was originally established in 1855 for the Bangalore Cantonment Force, but owing to its insolvent state it was abolished under the authority of the Govt. of India, & the assets, after discharging certain liabilities &c, were held available

for

for transfer to another Fund, which it was proposed to create at once, simultaneously with the reorganization of the Police of the entire Province. On the extension of Act V of 1861 to Mysore

3. A draft of Rules for the formation and management of the ~~Reserve~~ Fund was accordingly submitted for the approval of the Govt of India in the Home Dept with this Office letter No. 2507 of the 5th March 1869. When these Rules were ~~circulated to be extended~~ to the whole Force throughout the Province, as the organization of the Police was being carried out, but on the revision of the Bangalore Dist Force was then rapidly progressing it was deemed advisable, in anticipation of the sanction of Govt. to put the same at once under suspension of pay under the provisions of Sec: 11 of the Act.

submitted, the provisions of the Act were applicable only to the Police of the Town & Cantonment of Bangalore which was constituted under the Police Act. The Bangalore Dist Police being under Mysore Govt, was however in course of reorganization, and in anticipation of the sanction of the Govt of India, the entire force was placed under suspension of pay in accordance with Sec 11 of the Act.

† No 9.2 of the 10th May 1869

4. Subsequently the Govt of India drew attention to the fact of this Section of the Act having been repealed by Act X of 1869, and suggested the desirability of applying to this Province Rules similar to those proposed to be introduced in British Provinces. These Rules were however not completed at the time, & on subsequent application from this Office, a reply was received to the effect that they were still under consideration in the Fin. Dept. In the meanwhile the subscriptions were continued to be levied in the Bangalore Dist, and the Fund was thereby virtually formed, tho', through some oversight, no further action seems to have been taken in view to the formal sanction of the Govt of India

In recommending this proposal to the consideration of Her Council, the Officiating Chief Commr. would [illegible] they have the most favorable consideration to the application of the Subscriptions to the Funds, pending the issue of any Order which may have been obtained from the Secretary of State with regard to the disposal of the accumulated funds.

7. A draft Notification prepared in terms of Act XI of 1869 is herewith submitted for insertion in the Gazette of India if approved.

The Officiating Chief Commissioner concurs in the proposal, especially as all such Funds have been long ago abolished in British Territories, and accordingly solicits that the sanction of H.E. in Council may be accorded to the proposed arrangement the subscriptions in the meanwhile being dropped pending the orders of Govt.

7. The assets of the Fund amounts to about Rs 22000.

Sir,

In reply to your officiating Secretary's letter No. 3810/62 J. dated the 5th August 1875, I am directed to inform you that the Governor General in Council sanctions your proposals that the Police Superannuation Fund in the Bangalore District should be abolished, and that the assets should be credited to the Mysore Government, which will hereafter take upon itself all liabilities and charges in connexion with the payment of pensions and gratuities.

2. Before issuing the Notification which is required to give effect to these

arrangements, His Excellency in Council desires that you will report what rules you would recommend for regulating the pensions and gratuities payable on retirement to the members of the Mysore regular Police Force. It would, in the opinion of His Excellency in Council be advisable that these rules should appear simultaneously with the Notification abolishing the Bangalore District Superannuation Fund in order to avoid the appearance of confiscating a fund appropriated by a previous law for the benefit of the Bangalore Police and in framing the rules, special care should be taken that the advantages which the Police were led to expect from the Fund are secured to them.

SIMLA, THE 11TH MAY 1877.

With reference to the Notifications Nos. 547 and 548 of this day, the Governor General in Council directs that the following Rules shall in future regulate the grant of pensions and gratuities to the Members of the Mysore Rural Police:—

I. Policemen of all grades will be permitted to retire from service in the Police on the following conditions:—

1*st.*—When declared by a proper medical certificate to be wholly unfit from causes beyond their control for further service under Government in any capacity, or on completion of 30 years' service after the age of 22 years.

2*nd.*—When discharged in consequence of the reduction of establishments.

3*rd.*—When recommended by the Principal District Police Officer for discharge and certified by a Medical Officer to be physically unfit for active duties in the Police, either from age, indifferent health, or other causes beyond their control.

II. A Policeman eligible for retirement under Clause 1 or 2 of Rule I, if not above the grade of 2nd Class Duffadar and on pay not exceeding Rupees 10, will be allowed to retire with an "Inferior Service Gratuity" calculated at the rate of one month's pay for each complete year of service rendered after the age of sixteen years, the pay to be taken at the average of the last 3 years, and all authorized leave to be counted as qualifying service. No gratuity will be allowed for less than 5 years' service.

III. A Policeman eligible for retirement under Clause 1 or 2 of Rule I, if above the grade of 2nd Class Duffadar drawing pay exceeding Rupees 10, will be allowed to retire according to his own election either with an "Inferior Service Gratuity" on the terms of Rule II, pay being taken at not more than 10 Rupees per month, or on a "Superior Service Gratuity" or a "Superior Service Pension" on the following conditions. Previous service rendered after the age of 22 in any grade of the Police will count towards a Superior Service Pension or Gratuity, but all leave except privilege leave will be excluded.

The rates of pension will be—

For 25 years' service or more (after the age of 22).	Superior Service Pension of half average pay drawn in last 5 years.
For 15 years and less than 25 years after the age of 22.	One-third ditto.
Less than 15 years after the age of 22.	Superior Service Gratuity of one month's pay, at the rate drawn at time of retirement, for each year's service, and not exceeding 12 months' pay.

IV. A Policeman eligible for retirement under Clause 3 of Rule I will be allowed to retire on half the amount of gratuity or pension to which he would have been entitled if he had retired under the provisions of Clause 2 or 3. But as an exception to the general rule in Section 52, Rule 5, and Section 98, the Civil Pension Code (3rd edition), a Policeman permitted to retire under these circumstances will be allowed to draw unconditionally the authorized gratuity or pension for his service in the Police, irrespective of any pay that he may receive for employment subsequently obtained in other than the Police Department.

V. The General Rules contained in the Civil Pension Code as regards suspension, resignation, dismissal and other matters, so far as they may be consistent with these special rules, will apply to all members of the Mysore Police.

VI. The foregoing will also be held applicable to members of the Police Force doing duty within the limits of Municipalities and paid from Municipal Funds, with exception to those of the Bangalore Cantonment and Town Municipalities for whom separate rules are prescribed.

Sir

I have the honor to submit for the sanction of the Viceroy and Governor General in Council a draft copy of rules which have been prepared in communication with the Superintendent of Police Bangalore and the Judicial Commissioner for the formation and management of a Superannuation Fund for the Police of the provinces Constituted under act V of 1861.

2. As yet the Police of the Bangalore Town and Cantonment only have been re-organised but under the authority conveyed in your letter No 263 of 14 September 1868 the revision of the Taluk Police of the Bangalore District is progressing and it is proposed to extend the rules of the superannuation fund to the Police of each Taluk as it is brought under the new system.

3. The Rules accord with those of the Madras and Oudh Police superannuation funds

funds as respects the rate of subscription and the nature of the assets which are to compose the fund. The conditions relating to periods of service and rates of pension are those of the existing Uncovenanted service Pension Rules; Save as regards pensions without Medical certificate for which provision may be made hereafter Should means permit

4. In rule 6 provision is made for investing the assets in securities of the Government of India to be purchased from time to time, instead of treating them as a Public Debt of the Mysore State bearing interest which would be an unnecessary charge on the Mysore revenues. The stock will be in the name of the Commissioner for the Government of the Territories of the Maha Rajah of Mysore and lodged in the Central Treasury

5. It has been considered necessary to provide in the Rules for the case of men who have been or may hereafter be drafted in to the new Force from the existing Police. Such of them as may complete a service of 20 or more years in the reorganised Police, as subscribers to the fund will of course receive the regulated pension, but as there are many others who though now fit are likely to be invalided before being qualified for pension having already served

in

in the Old Force, it is proposed to give such men Gratuities on the scale laid down in Rule 9. The proviso that the Gratuities will be limited to those who are transferred from the old to the new force after the age of 40, will obviate any undue charge on the fund.

6. Should the financial prospects of the fund hereafter be such as to admit of the grant of gratuities to all members of the new force who may not complete a service for Pension an additional rule may be laid down.

7. The rules now submitted do not appear to call for further remark and I have only to request the favor of early orders as it is desirable that they should be promulgated for the intimation of the men of the new force at an early date.
